*Information about the Backstop: Outside Counsel is entitled to up to 15% of the settlement payment as fees. Outside Counsel must apply to the National Settlement Fund for their fees first. If the National Settlement Fund is insufficient, Outside Counsel will apply to the counties' backstop fund ("Utah Fund") for their fees. The Utah Fund was set up in an agreement between each county and their Outside Counsel. The Administrator, BrownGreer, will automatically pay 20% of each county's payment to the Utah Fund. Payments to Outside Counsel from the Utah Fund shall be disbursed in the same proportion as the allocation percentages. The payments to the Utah Fund will start with Payment 1 and continue until the Outside Counsel fees are paid in full. Any funds remaining in the Utah Fund will be distributed back to the counties according to the allocation percentage. According to the MOU, fees to the Outside Counsel will be for their respective payments to the counties have stopped, and each county will receive overall less the backstop 85% of their respective payment.

**Mallinkrodt payments are not subject to backstop as it is distributed by the National Opioid Abatement Trust II, a separate Administrator.

The Allocation % is different for Payment 1 because Morgan County is not participating in that payment.

Payments may not be exact to the penny but should be a reasonable estimate.
